IN-PERSON PROGRAMME

An Oxford Leadership Development Programme
Delivered by Companions for Leadership

Discover your "why" and cultivate purpose in your professional & personal life?

Discover your authentic leadership style by aligning with your core values and purpose

Navigate work-life integration with tools that foster balance and well-being

Enhance your emotional intelligence for more effective, empathetic leadership

Unpack purpose, align values and create a personalised **90-day action plan** to activate self transformation

Almost one million executives have discovered their "why" through our Self-Managing Leadership (SML®) Programme. The are proof that it's possible to enjoy professional and personal success while having a positive impact on the world around you. Our 10-step model helps participants identify their purpose, values and vision in order to define the focus and character which define their leadership. Each participant will develop a 90-day action plan to focus on the few things which have the largest impact, on both their personal and professional development.

A powerful step-by-step framework is used to focus, change negative habits, make critical choices and bring plans to life. Participants learn how to transform at the individual, team and organisational level.

Boryana Boshnakova

LEADERSHIP COMPANION

Boryana is a senior leadership consultant and executive coach, working with senior leaders to enhance their leadership, coaching and change management capabilities. 24 years of experience in various businesses, commercial capability building and change management roles at local, regional, and global level with one of the world's largest energy companies. She serves global, regional, and local clients as a Coach & Consultant, as well as coaching & mentoring young people, teachers, and female leaders as part of not-for-profit communities that she supports.

I have personally experienced your coaching style as intuitive and transformative yet always in a clear collaborative structure focusing on tangible actions to take forward. You're great at helping your coachee develop and explore and trust their intuition. you're unique. Your rich and global experience make you a wonderful counterpart able to offer a fresh and relevant perspective on what your coachee wants to work on.

How SML® will drive your transformation

- ▶ Identify your purpose or that which gives meaning to your life.
- ▶ Identify your negative & positive patterns/habits and behaviours.
- ▶ Create a future vision for your life in three key areas: your role as a leader, your role in your family/community life and your personal life.
- ▶ Recognise & put in place a plan to overcome barriers which hold you back from becoming all that you can be.
- ▶ Emerge with concrete strategies for managing yourself, your relationships, your career & your organisation better.
- ▶ Leave with a framework for self-management and personal accountability and with a plan for embedding your learning in practice.

"This course was a chance for me to re-think who I am and how I want to lead. I developed a clear beacon for my personal and professional development through the creative exercises and appreciated the opportunity to travel this journey with inspiring peers."

Vanessa Butani

Senior Manager Sustainability
Electrolux, Sweden

"This course gave insights since it opened up a possibility to go inside myself and start a structured process both privately and professionally. We got great guidance throughout the process and worth while tools for taking the nextstep."

Urban Broberg

Manager Data
Warehouse Systems
SEB, Sweden

"It is a great opportunity to know and work on our strengths and weaknesses in order to develop a plan. I truly believe that deep change occurs only by example, and we as executives must lead with examples and actions rather than words."
